

**The RCPD STATE Scholar Program
Application
(Stern Tutoring and Alternative Techniques for Education)**

Directions: The STATE Scholar program is designed to assist a group of selected students with various types of learning disabilities. The program provides an extra layer of academic support, close monitoring and encouragement from a caring staff, and a weekly, intensive seminar about techniques, tools, and technologies that offer the opportunity for students to be successful. The RCPD is inviting you to be considered for this unique opportunity. The seminar will occur one evening per week, Wednesday from 6:30 – 8:00 pm. The three essay questions give you an opportunity to let us know why you should be selected as a “STATE” student. Please be thoughtful and take some time as you answer each of the questions. (Your answers should not exceed the space allowed.)
